America's favorite bad boy alien has a mission: Get to Mars where his friends Skip and Rhonda are waiting. But his spaceship is broken and the Alien Task Force is hot on his trail! The Alfer isn't about to grow wings so the ship must be fixed. Can you do it? No problem. You're the Alfer!

Alf®

Everybody knows Alf; that 229 year-old, furry, lovable alien life form from the planet Melmac! He's everywhere ... even on your Sega system in an all new exclusive adventure.

It all started in 1986 when Alf left Melmac to find a space-age candy store. Everyone on Melmac plugged in their hair dryers at the same time ... and the planet exploded! Only two other Melmacians escaped, Alf's good friends Skip and Rhonda. They ended up on Mars. The Alfer crash-landed on Earth in the Tanner family's yard. Now he's getting homesick for his two pals. Especially for Rhonda, who is the cutest little ball of fur!

The problem is, Alf's spaceship has seen better days. It needs to be fixed before he can go zooming off into space. But to do it he needs your help.

Next to the Tanner's house is a space scooter. It will take you into the sky ... if you figure out what it needs to go ... and where to get it! This game will take you from deep space to the bottom of lakes ... from city streets to dark caves ... upstairs and downstairs! Collect all the necessary items and you'll be able to make it to the moon!

But remember ... the Alien Task Force knows the Alfer is around ... and they're out to get you! And they aren't the only obstacle to your success!

So sit back, grab your Control Pad and get ready for a rockin' good time with the Alien Bad Boy himself!

Ha! No Problem!

Helpful Hints

- For a good laugh, let Alf sit still in the house for a couple of minutes. Those alien types sure don't have much patience!
- The bats in the cave are very tricky. Take your time getting through them. Don't rush!
- Can't find the salami? Where does your mom keep the lunch meat?
- If you get the Gold Nugget and then die, remember that you don't have to get it twice!
